PROBLEMS SOLVED FOR GOOD

## SCOTT BURR - SHORT BIO

Scott Burr is Principal Innovation Consultant and Six Sigma Master Black Belt for Innovation Scientific, LLC, a business committed to evolving the science of innovation and to creating pioneering problem-solvers.

Scott has been called “fearless” when addressing complex, difficult or highly challenging business and technology problems. He has made a practice of finding high-value, “reputation-making” problems that others would not touch – and then solved them. His fascination with the relationship between innovation, design, reliability, quality, process performance and people has helped Mr. Burr book millions of dollars in savings and revenues for his clients and his companies.

Scott Burr is an ASME volunteer of 14 years and is the recipient of the ASME Dedicated Service Award. It honors unusual dedicated voluntary service to the Society marked by outstanding performance,

demonstrated effective leadership, prolonged and committed service, devotion, enthusiasm and faithfulness. Mr. Burr was recently elected to “ASME Fellow” for his outstanding contributions to the engineering profession.
